

Monday 11th December 2023

Year 3 visit to Science Museum

Dear Parents/Carers,

As part of our science topic next half term, 'Forces and Magnets', we will be taking the children to the Science Museum. At the museum the children will have a workshop in the 'Wonderlab' by the museum and we will get a chance to explore some of the museum exhibits too.

They will spend the day learning about forces and magnets and take part in an interactive experience which will ignite their curiosity, fuel their imagination, and inspire them to see the world in new and exciting ways.

Details are as follows:

Date: Tuesday 6th February 2024

Place: Science Museum, Exhibition Road, London SW7 2DD

Travel: TFL public transport-bus, train, and tube.

Cost: A voluntary contribution of £5.50 is needed to cover the cost of the trip.

Unfortunately, without sufficient uptake, the sessions will not take place.

The children will need a **packed lunch, water bottle** and **comfortable walking shoes** (preferably trainers). The children need to **wear school uniform** and a **jacket** with a hood advised in the event of rainy weather. If your child is entitled to a free school meal, we will provide them with a packed lunch for the day.

Please sign into **Arbor to give permission and to make the payment.**

If you can support this visit, please speak to Miss Cooper.

We would like to make you aware if your child is absent from school on the day a refund may not be possible as we must book in advance.

Thank you for your support.

Yours sincerely,
Miss Cooper
